

RRTC-EBP VR

Rehabilitation Research & Training Center
for Evidence Based Practice in Vocational Rehabilitation

"How can information provided through the RRTC-EBP-VR be of value?"

VR Counselors responded that online resources and topics must be efficient and meaningful to be of value.

Preferred formats include archived training and resources that can be accessed when needed, with a focus on practical application. It was suggested that forums and social media can be important tools to assist with this, as well as enhance peer-to-peer sharing of information.
